Functioning of Phulparaas Telephone Exchange in Bihar

†2554. SHRI MANGANI LAL MANDAL: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that Phulparaas Telephone Exchange under Madhubani Telephone District in Bihar is situated in flood prone area and often becomes inoperative and faulty;

(b) whether it is a also fact that Phulparaas Telephone Exchange is not functioning as per its total installed capacity and the disruption in its service and connection has become a common feature; and

- (c) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) Sir, it is c. fact that Phulparaas Telephone Exchange under Madhubani Telephone District is situated in flood prone area but it is functioning normally.

Last year, there was a severe flood in Madhubani District including Phulparaas area. The telephone exchange building was surrounded with water all around but water did not enter the exchange building because of its higher plinth. Tht telephone exchange was running smoothly during the period. However, STD/ISD services were disrupted during this period
